Appointment and Working Hours

This is a full time seasonal appointment for 10 weeks from 21st June 2027- 29th August 2027. The nominal hours are 40 per week. However, the nature of the role of Skipper and the unique responsibilities associated with it mean that there is a need for considerable flexibility with working hours particularly when sailing.

Every reasonable opportunity is to be taken to offset long hours with rest and taking time off. This applies particularly when not on watch while sailing and when not sailing.
